

F.A.Q.

Buying a Business?

What do we do?

1. Contact a REIQ Business Broker member.
2. Discuss what categories of business you would like to consider.
3. Discuss financing options with the following professionals:
 - Business Broker
 - Your Accountant
 - Your Banker
4. Have an initial discussion with your lawyer to discuss the latest changes to legislation(s) and what his advice and requirements are.
5. Attend courses held by The Office of State Development in relation to Business Management etc.
6. Research available business opportunities with your REIQ member, we suggest the following outlines should be considered.

Discussion with REIQ Business Broker

Inspect Businesses

View Business Profile's on interested businesses

Question and Answers appointment with your Business Broker

Arrange second inspection of business

Questions and Answers appointment with the owner and Business Broker

Discussion with Accountant

Presentation of Business Profile report to your Accountant

Submission of formal offer to the Business Broker to purchase the business

Preparation of the formal contract of sale by the Business Broker in conjunction with yourself, your Accountant and Lawyer.

Your offer to Purchase the Business will be submitted to the
Business owner for his acceptance.

Contracts forwarded to your lawyer for his services and
conveyancing
